Armitron watch manual 40/8322

Need to know how something works and you've lost your manual? Get some of the manuals here. Search for your watch by entering the style number found on it's back cover, and click search. The manual is located in the "SPECS" section in the watch product page. Please insert the style number. On the back of your Armitron watch, please look for your 6-digit style number. The style number should begin with either two numbers or two letters followed by a forward slash and 4 numbers. If you have trouble locating your style #, please contact customer support for further assistance. Sorry, there are no PDF file for the "SKU #". Please contact the customer service: Please contact the customer service: 1-866-631-0342 or (718)784-0700 support@armitron.com John Foxx/Stockbyte/Getty Images Armitron began making watches in the 1950s and remains one of the leading American manufacturers. Some of the company's watches display military time, which uses a 24-hour clock. Pressing a few buttons will change the mode on any Armitron watch. Press the top left button on your watch once. The seconds should begin flashing. Press the lower left button six times until the 12/24-hour format appears. Press the top right button once to select the 12-hour time format. Press the top left button once to return to time telling mode.
